

## **REMARKS**

The present Amendment responds to the Office Action dated March 4, 2005. Concurrently filed herewith is a petition for a two month extension for response.

The application is subject to a restriction for electing one of the disclosed species for examination:

Species I, Figs. 1 - 5  
Species II, Figs. 6 and 7  
Species III, Fig. 8

The Examiner identified claim 1 as generic.

### **Election**

In response thereto, the applicant elects Species III, shown in Fig. 8, for examination.

Claims 1 - 3 and new claims 4 - 21 (discussed below) are believed to be generic.

### **Amendments**

Claims 1, 2, and 3 are amended to more distinctly point out the invention and to correct an antecedent basis, and not amended with respect to distinguishing the invention from any particular reference.

**New claims and fees for same**

New claims directed to the present invention are submitted herewith, as supported by the specification and drawings.

The Examiner is authorized to charge the \$25 fee for the additional claim over 20 to deposit account 11-0553 (total of 21 claims pending and 3 independent after entry of the amendment.) A duplicate of this page is attached.

Respectfully submitted,

Carl M. Davis II
